- 7. Please note y-t-d Church net income = (\$17,515) and y-t-d net income for the Preschool is \$4,372. The negative income for the Church is mainly due to approved capital improvements (office and library flooring and paint projects plus new office furniture) and have been covered by savings from the Verizon Proceeds Plan Agreement with Diocese.
- 8. Vestry restricted cash remaining for capital improvements: \$1,863 (from \$35,000 in Verizon Proceeds Plan Agreement with Diocese.)

Discussion Items

- 1. Both Church & Preschool showed negative net incomes for July. The Committee noted that this was expected due to a third payroll which happens twice a year. The Committee expects to see positive net incomes for both Church & Preschool for the rest of the year with the exception of the next third payroll in December.
- 2. The Wardens and Mother Susan presented a proposal for hiring a church custodian. Please see Sr. Warden folder for details. I put together a salary chart to showing the part-time salary package for Mother Susan and the wages for a church custodian compared to how much we were paying a full time rector including pension and healthcare. Mother Susan's salary and a part-time church custodian are less then the salary package we were paying for a full-time rector.
