GROWING OUR BLESSINGS

Pledging FAQs

What is a pledge? A pledge is an estimate of giving; some call it a statement of intent. Your pledge amount may be changed, increased or decreased during the year, at any time as your financial circumstances change.

Why should I pledge? Planning ahead for your giving allows you to make choices about spending your money in ways that reflect your faith and values. Receiving your pledge allows our Vestry to set a budget based on the total amount pledged to the church. They can then plan wisely in support of the mission and ministries to which God has called us.

How do I pay my pledge? You may pay weekly, monthly, quarterly, or yearly. For more information, see the church website at www.saintdavidschurch.com under the *Giving* tab, or by speaking with our Church Administrator.

What is a tithe? A tithe is 10% of your income. The Episcopal Church encourages its members to tithe or give proportionately.

What is proportionate giving? If you are unable to pledge 10%, you may pledge a lower percentage and consider increasing your pledge each year as you are able.
